Statement of Accounts

Election of Committee

The Smedley Memorial Hydropathic Hospital.

Annual Report 1935.

In submitting their Annual Report and Accounts for the past year the Committee wish to take the opportunity thus afforded of thanking all those who have given their help and support to the Hospital.

The Subscriptions and Donations show a decrease respectively of £6 13s. 0d., and £9 17s. 1d., and the Committee, while expressing their gratitude for all contributions in money or in kind, would like to appeal to Subscribers to bring to the notice of their friends the urgent need of funds to enable the good work of the Hospital to be carried on.

The number of patients treated is rather less than last year, the average being 12 daily, against 14½ daily last year.

The Hospital buildings have been well maintained, and are in a good state of repair outside and inside. The telephone has now been installed and is proving of great service.

The Committee desire to extend their thanks to the Management of Smedley's Hydropathic Co., Ltd., for their kindness in sending a gardener to attend to the Hospital garden.

The Committee wish to thank the Visiting Physician, Dr. MacLelland, and the Consulting Physician for their services to the Hospital during the past year. They also desire to thank the Matron and her Staff for the efficient way their work has been carried out during the year that has just ended.

The Committee regret that during the past year Canon the Rev. J. W. Kewley has passed away. He was a Trustee of the Hospital and a member of the Committee for a great number of years, and his kindly interest in the Hospital will be very much missed.

They also regret that Mr. J. B. Marsden-Smedley has been obliged to resign, owing to pressure of business, from the Committee after many years useful service, but Mrs. J. B. Marsden-Smedley has been good enough to offer her services. Mr. C. W. Waghorn has left the district, and Mr. H. W. Smith, Westminster Bank, has joined the Committee in his stead.

Through the kindness of patients and friends a new wireless set has been provided, which is much appreciated by the patients.

The Accounts have been audited by Mr. Albert Law, Chartered Accountant, and the Committee wish to thank him for his services.

Books, Magazines and Papers are a source of great pleasure to the patients, and friends of the Hospital are once more reminded how very much such gifts, as well as gifts of garden produce, would be appreciated.

A. S. MARSDEN-SMEDLEY,

July, 1935.

Chairman.
